

METAL FORMS CORPORATION  
SINCE 1909

## **EMPLOYEE PROFILE**

### **ALAINA JANTE Product Engineer**

Alaina was a recent graduate from MSOE (Milwaukee School of Engineering) and was looking for a hands-on role. She found this role at MFC as a Product Engineer in 2020. Alaina's responsibilities as a Product Engineer is designing/modeling forms and creating technical drawings. In addition, Alaina processes shop orders and provides shop support when required.

When asked what she enjoys about working at MFC she stated, "Close knit atmosphere and there is something different every day."

Alaina currently resides in the Milwaukee area but her family is originally from Gurnee IL. During her free time she enjoys waterskiing , traveling, cooking and hiking.
