EMPLOYEE PROFILE

ALEX TOPECZEWSKI **Dealer Account Manager**

Alex worked numerous construction jobs throughout college & wanted to get more into the office side of things, MFC was a great fit. As a Dealer Account Manager, Alex is responsible for sales development & customer relations. Reaching out to potentially new customers and projects that require form-work & checking in with existing customers to ensure they are taken care of or require assistance. When Alex was asked what he enjoys about MFC he stated "continuously learning about our industry and building comradery within our team in the office".

When Alex is not working, he loves going up north whenever possible to fly-fish or just relax. "Nothing beats the north woods", Alex explained.

"There is something to be said about MFC being around for 112 years but I will let our products speak to that testament of time." - Alex
