EMPLOYEE PROFILE

MELISSA KEHOE Accounting

Melissa originally came to MFC as a Kelly Service temp. After working as a temp for a while, she was hired on permanently by MFC. Melissa stated, " we have two small children and wanted part-time flexible hours and MFC was able to offer that". Currently Melissa works in the accounting department as AP/AR, collections and invoicing. In addition to her traditional accounting responsibilities, Melissa also took on the responsibility of ensuring office supplies stay stocked.

When asked why she enjoys working at MFC, she stated "it is the friendly people, the flexibility, and that it is a small local family owned company".

When not working, Melissa enjoys painting, knitting and volunteering at various organizations including her children's schools. Melissa, her husband of nearly 20 years, Craig and their teenage son and daughter, currently live in the city of Milwaukee. Melissa has always been invested in good old Cream City as it is where she obtained her M.A. in Mid-Evil History.
