

EMPLOYEE PROFILE

ALAINA JANTE Engineering Manager

Alaina graduated from MSOE (Milwaukee School of Engineering) in 2020 and was looking for a hands-on role when she secured the role of Product Engineer at MFC. Alaina's responsibilities as a Product Engineer included designing forms, creating technical drawings, processing orders, and supporting production.

After a short stint away, Alaina returned to MFC in 2023 taking on the role of Engineering Manager. As the Engineering Manager, Alaina continues her former responsibilities as Product Engineer as well as additional responsibilities, such as new product development and production scheduling.

When asked what she enjoys about working at MFC she stated, "The close-knit atmosphere, plus there is something different every day."

Alaina currently resides in the Milwaukee area but her family is from Gurnee, IL. In her free-time she enjoys watersports, traveling, and cooking.
